DATED:01-10-2007

ORAL ORDER:

On the submissions made by both the counsel, the writ petition is being disposed of at this stage itself.

This writ petition is filed seeking a mandamus declaring the action of the 2nd respondent in placing the petitioner under suspension vide letter dated 30-06-2006 and keeping him under continued suspension even though two months have elapsed as arbitrary and illegal.

There is no necessity of going into all the details. While admitting the writ petition the impugned order of suspension was suspended. Now a counter is filed stating that the petitioner was suspended in view of certain charges alleged against him and the enquiry was being conducted. Now it is stated that the enquiry is completed and the petitioner has already been reinstated into service. The matter is referred to the Commissioner of Intermediate Education for further direction.

In view of the fact that the petitioner has already been reinstated into service and the enquiry has been completed, keeping the petitioner under suspension any more does not arise.

Therefore, the writ petition is accordingly closed. No costs.
